<b>WILDLIFE</b>	Wildlife Conservation Bird Behavior Homes for Wildlife	Wildlife Conservation Bird Behavior Homes for Wildlife	Wildlife Conservation Bird Behavior Homes for Wildlife

Other project areas that are available are: Model Rocketry, Entomology, Electricity and Woodworking. These projects usually have three levels of project manuals. Also, available for all ages is Shooting Sports.

ALL animal projects are designed in a three level sequence.

We suggest your first year in 4-H that you take a maximum of 3 projects.
